

## Waiver of liability for media representatives

**§1** I am aware of the inherent risks and dangers associated with motor-racing events and undertake to abide by the instructions enacted by the organisers, race control, the marshals as well as the police and their representatives (in written, verbal or visual form) promptly and – in particular – to not enter restricted areas or safety zones.

**§2** I accept that I am acting at my own risk when leaving the area generally accessible for spectators and the areas explicitly designated by the race control – even if staying there is tolerated by the organiser. Explicitly designated by the race control are:

- All the areas designated as spectator areas,
- The entire paddock and service area including all the connecting roads and ways, - The pit area.

I am aware that staying in front of track boundaries, such as crash barriers or concrete elements, in restricted areas or safety zones and obvious danger zones is strictly prohibited.

**§3** I hereby agree to release, waive, discharge and covenant not sue

- ADAC, the ADAC region clubs, their full-time and honorary staff members,
- The organisers, their representatives, marshals and helpers,

from any and all liability or claims that may be sustained by me and my child/ward, my heirs, executors, administrators, legal representatives, assigns, and successors regarding bodily harms, property damages or economical losses should I have stayed outside of areas generally accessible for spectators or the area specially assigned to me by the race control and the harm or damage hasn't been caused by the aforementioned group of people deliberately or due to gross negligence. Excluded are damages that are the result of harms of life, body or health caused by a deliberate or negligent breach of duty – also by a legal representative or assistant of the aforementioned group of people – and other damages caused by a deliberate or gross negligent breach of duty – also by a legal representative or assistant of the aforementioned group of people. The waiver of liability applies to claims based on any legal basis, particularly to indemnity claims being the result of contractual and non-contractual liability and claims caused by prohibited activities. Implicit liability exclusions aren't touched by the aforementioned regulation.

**§4** The areas explicitly designated by the race control for the media coverage are marked on the track sketch. I will study this sketch on every day of the event and will respect it.

**§5** I am aware that the use of TV and video cameras has to be sanctioned in written form by the owner and administrator of the film and TV rights. The owner and administrator of the film and TV rights reserves the right to take legal action in the case of an illegal use of TV and video cameras. Any filming permit must be requested from the DMSB e.V.

**§6** I have been made aware that a breach of the aforementioned paragraph results in the revocation of my media accreditation and can result in legal consequences.
